

Warehouse Sale!

After moving from HQ-Powerkites to HQ4 our warehouse still holds some stock of old HQ-Powerkites.

Before they decay to dusk, we like to offer you to get a bargain deal and upgrade your personal kite range.

From low to strong winds, there are kites left for any condition.

Interested? Just drop a mail to: sales@hq4.com

Tube Kites:

Art. 118710	Ignition II 5.0 kite only	was: 655€	Bargain Deal: 399€
Art. 118712	Ignition II 7.0 kite only	was: 810€	Bargain Deal: 499€

The new Ignition II has been completely reworked and offers more comfort and performance than the predecessor. Progression at it's best. The shape combines control, easy handling, retrievable performance, strength and speed to make the Ignition II a kite that covers many disciplines. In addition to that, the processing and quality of the materials are on an absolutely new level.

Depower Kites (Foil Kites):

Art. 118326	Montana VIII 14.0 RTF	was: 1290€	Bargain Deal: 410€
-------------	-----------------------	------------	--------------------

Performance requires precision in design. The new shape and clean outline of the Montana have allowed HQ to push the limits of aerodynamic stability. The result is one of the best snowkites out there by showing an increased ease of use and an incredible performance in all elements.

Art. 11833402	Montana IX 12.0 30D kite only	was: 1015€	Bargain Deal: 530€
Art. 118336	Montana IX 14.0 RTF 30 D	was: 1395€	Bargain Deal: 630€
Art. 11833601	Montana IX 14.0 RTF standard fabric	was: 1220€	Bargain Deal: 599€

A new shape and air intake design increases internal pressure, making the Montana IX extremely stable for hard use in the backcountry or aggressive freestyle moves. Tight turns with loads of power will pull you up every peak, while the linear depower gives you confidence to react to changing conditions.

Art. 118621	HQ4 Matrixx 9.0 kite only	was: 1080€	Bargain Deal: 820€
Art. 118627	HQ4 Matrixx 18.0 kite only	was: 1590€	Bargain Deal: 1195€

Are you looking for a kite that offers versatility and high end performance? The Matrixx was developed to work well on all terrains. We have dug deep into our box of magic tricks and improved many details to give the performance of this kite a great boost.

Art. 117168	Apex V 13.0 RTF	was: 910€	Bargain Deal: 350€
-------------	-----------------	-----------	--------------------

When you can trust your kite 100% your skills progress to where you can climb the steepest mountains. The Apex V is your new partner to achieve this goal. You can count on the advanced and easier handling in all situations. Improved control and progressive flying characteristics make the Apex V a great choice for backcountry riding or your challenging entry into the world of powerkiting.
